Lesmurdie Senior High School offers the following VET courses in Year 12. These programs endeavour to help motivate students and assist them in preparation for further education and training or employment. Other benefits include recognition and accreditation for school studies when enrolling in TAFE courses and an opportunity to experience the world of work while still attending school. Students also get a unique opportunity to investigate future career options in a practical manner whilst continuing to achieve the necessary points for Graduation.

[ ] GENERAL VOCATIONAL PROGRAM (GVP)

This Senior School Program provides Year 12 students with an opportunity to continue developing both work skills and the completion of a TAFE Certificate while continuing with school, with a view to graduating. This program includes three compulsory core subjects, a choice of one elective and a choice of TAFE Certificate, plus a one-day per week release from school for paid or unpaid Work, TAFE, SBT, etc.

[ ] JOB LINK VOCATIONAL PROGRAM (JLVP)

This Program aims at engaging students who prefer an alternative way to achieving Graduation and have a greater need to be assisted with their transition from school to work or further training. There are four compulsory subjects; with all students attending school 3 days, TAFE and work one day each per week. As well, selected students may be offered the opportunity to do a School-Based Pre-Apprenticeship or Traineeship.

This Application Form has four pages. After completion, please make a copy for your records and submit personally or mail to the VET Coordinator. Remember to include all attachments – these should be photocopies not originals.
