10 GENERAL PHYSICAL EDUCATION (CODE 10PE)

PREREQUISITE: Nil

This course will enhance students' knowledge, attitude and skills in several essential aspects of personal and social health. It concentrates on developing a range of physical and cooperative skills with emphasis on skill development, organisation, decision making skills and interpersonal skills.

The course offers the opportunity for students to learn and practice skills in developing a positive and healthy lifestyle. The program caters for movement activities such as training programs, dance, disc golf, gymball to more invasive sports such as soccer, basketball, handball.

10 SPECIALISED PHYSICAL EDUCATION* (CODE 10SPE)

PREREQUISITE: Nil

This course is highly recommended for keen Physical Education students wishing to select Physical Education studies in Senior School with career goals such as Physical Education teacher, Personal Trainer, Sports Scientist etc. Students who achieve to a high standard will be ideally suited to enter ATAR Physical Education Studies in Senior School.

The course will cover topics such as fundamentals of the human body, how to execute skills more efficiently (Biomechanical Analysis) and how your mind plays an important role in playing sport (Mental Skills).

In addition, practical components will include soccer, volleyball and athletics.
10 SPECIALISED OUTDOOR EDUCATION* 
(CODE 10SOE)

PREREQUISITE: Nil

This course is designed to introduce students to the outdoors and develop a high level of skill to investigate and explore the outdoors in a practical environment.

The course content is divided into the following areas:

- Understanding the principles of Outdoor Education
- Skills for the safe participation in outdoor activities
- An understanding of the environment
- Develop self-management and interpersonal skills in the outdoors.

Year 10 Specialised Outdoor Education provides opportunities for students to face challenges in the outdoors. Students will be involved in outdoor activities such as canoeing, mountain biking, orienteering, abseiling/roping, camping and expedition skills. These activities will help build confidence as well as the opportunity to develop and display outdoor leadership.

The goal of this course is to develop a student’s skill and knowledge that will enable them to study ATAR Outdoor Education in Senior School.

10 SPECIALISED BASKETBALL* 
(CODE 10PEB)

PREREQUISITE: Yr 9 Specialist Basketball or Domestic/WABL experience

This course is highly recommended for keen Physical Education students wishing to advance on their basketball skills and their development as a whole athlete. Students will advance on their umpiring skills from the Year 9 Specialised Basketball course and participate and gain a Community Coach qualification. This is a state qualification where students may coach Aussie Hoops or Miniball and can then proceed to Club Coach and Association Coach.

At the conclusion of this course students will have all aspects open to them in the field of basketball. These being: a player, umpire and coach.

Our networks include Basketball WA and Kalamunda Districts Basketball Association (KDBA)

The course will cover theory topics such as fundamentals of the human body, motor learning and coaching and mental skills.
