

LESMURDIE SENIOR HIGH SCHOOL

Year 7 2018

At Lesmurdie SHS students in Year 7 will study subjects in the 8 Learning Areas and will be placed into the compulsory subjects of English, Mathematics, Science, Humanities & Social Science, Health & Physical Education and Languages (Italian).

In Technologies, students will complete a semester each in Digital Technologies and Design Technologies. The contexts involved in Design Technologies are Home Economics or Design and Technology (wood and metal).

In The Arts, students will complete a semester each in Visual Arts and Performance Arts (Dance or Drama). If selected, students can study a semester of SIM (School of Instrumental Music) as part of Performing Arts. Please note; if SIM is chosen then it will be studied for a semester **however** the instrumental lesson will be studied for the whole year.

To promote the sense of well-being and belonging in Lesmurdie SHS, all Year 7 students will be required to complete one period a week of TEAMS - a personal growth, development and resilience program designed to increase student awareness of emotional intelligence, goal setting & planning, personal safety and communication.

The Year 7 Course is structured as follows:

Learning Area	Period Allocation
English	4
Mathematics	4
Science	4
Humanities & Social Sciences	4
TEAMS	1
Physical Education	2
The Arts	2
Technologies	2
Languages (Italian)	2
TOTAL	25 periods per week

For further details on the content of each of these subjects please refer to the Lesmurdie SHS website.
