

CAREER ASPIRATION	UNIVERSITY PATHWAY	TAFE PATHWAY
Architecture and Spatial Science (Surveying)	ATAR Mathematics ATAR Chemistry ATAR Physics ATAR Visual Arts ATAR Design – Photography ATAR Computer Science	General Mathematics General Design – Technical Graphics General Visual Arts General Materials Design and Technology General Design – Photography
Arts – Visual and performance	ATAR Drama ATAR Dance ATAR Visual Art ATAR Design – Photography ATAR Materials Design and Technology.	General Dance General Visual Arts General Music General Design – Photography General Materials Design and Technology
Business and Commerce	ATAR Mathematics ATAR Mathematics Specialist ATAR Accounting and Finance ATAR Economics ATAR Computer Science Certificate II – Business Certificate II – Information Technology	General Mathematics Certificate II – Business Certificate II – Information Technology
Design	ATAR Visual Arts ATAR Design – Photography ATAR Mathematics	General Visual Arts General Materials Design and Technology General Design – Technical Graphics General Design – Photography General Mathematics
Engineering	ATAR Mathematics ATAR Mathematics Specialist ATAR Physics ATAR Chemistry ATAR Computer Science	General Mathematics General Design – Technical Graphics General Materials Design and Technology General Automotive Engineering and Technology
Environmental Sciences	ATAR Biology ATAR Chemistry ATAR Geography ATAR Mathematics ATAR Health Studies ATAR Human Biology	General Integrated Science General Mathematics
Health and Sports Sciences	ATAR Health Studies ATAR Human Biology ATAR Chemistry ATAR Physical Education Studies ATAR Mathematics GENERAL Food Science and Technology ATAR Outdoor Education ATAR Computer Science	General Integrated Science General Physical Education Studies General Mathematics General Food Science and Technology General Outdoor Education General Children, Family and Community
Hospitality	ATAR Mathematics ATAR Accounting and Finance GENERAL Food Science and Technology ATAR Italian Certificate II – Business	General Food Science and Technology General Italian Certificate II – Business
Information Technology	ATAR Mathematics ATAR Computer Science Certificate II – Information Technology	General Mathematics Certificate II – Information Technology

Media	ATAR Drama ATAR Design – Photography	General Music General Design – Photography
Medicine	ATAR Mathematics ATAR Mathematics Specialist ATAR Human Biology ATAR Physics ATAR Chemistry ATAR Health Studies	Not Applicable
Nursing	ATAR Health Studies ATAR Human Biology ATAR Chemistry ATAR Mathematics GENERAL Food Science and Technology	General Integrated Science General Children Family and Community General Mathematics General Food Science and Technology
Psychology and Social Work	ATAR Human Biology ATAR Health Studies ATAR Mathematics ATAR Chemistry ATAR Outdoor Education	General Integrated Science General Children Family and Community General Mathematics General Outdoor Education
Sciences	ATAR Biology ATAR Human Biology ATAR Physics ATAR Chemistry ATAR Mathematics ATAR Mathematics Specialist ATAR Health Studies ATAR Physical Education Studies ATAR Computer Science	General Integrated Science General Mathematics General Physical Education Studies
Primary Teaching	ATAR Mathematics ATAR Health Studies ATAR Physical Education Studies GENERAL Food Science and Technology ATAR Drama ATAR Dance ATAR Visual Arts ATAR Human Biology	General Mathematics General Children Family and Community General Food Science and Technology General Dance General Music General Visual Arts General Integrated Science
Secondary Teaching	At least one ATAR in the area in which you intend to teach ATAR Health Studies ATAR Physical Education Studies ATAR Mathematics ATAR Outdoor Education	At least one General Course in the area in which you intend to teach General Mathematics General Children Family and Community General Physical Education Studies General Outdoor Education
Trades and Traineeships	Not Applicable	General Career and Enterprise General Visual Arts General Design – Photography General Music General Dance General Food Science and Technology General Children, Family and Community General Mathematics General Integrated Science General Materials Design and Technology General Design – Technical Graphics General Automotive Engineering and Technology General Outdoor Education Certificate II – Business Certificate II – Information Technology Certificate II – Automotive Mechanical
