This qualification will enable you to gain practical skills and knowledge in:

- Provide basic administrative support within an office environment
- Word processing, use of spread sheets and business correspondence
- How organisations develop and distribute their products and services
- Working and communicating as part of a team
- Operating general office equipment
- Use of digital technologies and social media tools for communicating

This VET qualification provides you with basic employment skills and is mainly used as a stepping-stone for higher level courses.

N.B. A certificate will not be issued by the RTO until they receive all student evidence and it meets the required standard to be deemed competent.

Duration: Delivered as a 'stand-alone' course, in Year 11, over two semesters under the proposed auspices of IVET.

Cost: \$120 fee includes enrolment, consumables and issue of certificate on completion.

Nominal Hours: 240

Pre-requisite: Know how to operate a personal computer and be familiar with a variety of application software packages.

Pathway options: Business / Administration
