List A ATAR course

List B ATAR courses

# only one of these courses will contribute to WACE

Courses and Certificates will only be timetabled where there are sufficient numbers for viability. There is no guarantee that all Courses and Certificate offered will be viable. Should a course commence in Year 11 and numbers decrease dramatically we cannot guarantee the course will continue into Year 12

Maximum two Certificates combinations can be studied

At least one year Italian to have been studied in Years 7-10

\*\* Only available to students who successfully gain a place in 4 day WorkLink program

\*\*Securement in these Certificates dependant on full administrative costs paid by due date 2021
