

## School Uniform Policy

Wearing the school uniform plays an important part in establishing a positive community identity and contributes to the creation of an appropriate work ethic. The benefits of a school uniform policy include:

- Promoting safety of students through easier identification
- Keeping costs of clothing within reasonable limits for parents/carers
- Assisting students to learn the importance of appropriate presentation
- Creating a sense of positive belonging to our school community.

Acceptance of enrolment at Lesmurdie Senior High School assumes an agreement between the parents/carers and the enrolling student that the student will dress in accordance with the school's uniform policy. Every student is expected to comply with the School Uniform Policy.

The school uniform has been developed in consultation with the School Board and other members of the School Community.

Students are to wear the designated uniform during school hours, to and from school and while attending school excursions. Parents/carers are asked to support this by ensuring that students wear their uniform to school each day. Students are required to change into the relevant uniform when participating in sport, dance or physical education classes, training sessions or competitions. ***Students who have Period 1 Physical Education or Dance classes MUST arrive in school uniform and then change at the start of Period 1. For Period 5 classes, students must change after lunch and then change back into school uniform at the end of the lesson.***

Students are expected to be dressed in a neat and tidy manner at all times and ensure they have the appropriate clothing needs for any particular day. Where a student is unable to wear school uniform they should see Senior School or Lower School staff **before school** to arrange to borrow a uniform.

### Uniform Shop

Throughout the term the Uniform Shop is open from 8.15am to 10.00am every Tuesday morning. Orders may also be left at the Front Office. They will be filled the following Tuesday and be available for collection from the Front Office.

### Consequences of Breaching the School Uniform Policy

- When a student is out of uniform, they will be asked to report to the relevant Deputy Principal to change or remove the non-uniform item, or have a parent/carer contacted to deliver appropriate uniform items
- The non-uniform item is to be left at Senior/Lower School. If given a loan uniform, the student can pick up the non-uniform item at the end of the day. The name of the student will be recorded in case there are further breaches of this policy. Where a student out of school uniform **refuses** to remove and/or change uniform item/s the Deputy Principal, or delegate, will then determine the next steps to follow
- **A second breach** of the School Uniform Policy will result in the non-uniform item being confiscated and stored as above and the student will be given a lunch detention
- **Repeated breaches** of the School Uniform Policy will result in the same process as the second breach and parents/carers may be contacted to collect the non-uniform item from the school and may result in the loss of Conduct Standing (refer to Good Standing Policy).
