SMARTRIDER

STUDENT SMARTRIDER

TRAVEL PERMIT, UTILISATION OF COLLEGE FACILITIES AND ATTENDANCE MONITORING

The Public Transport Authority (PTA) provides students with a free Student SmartRider concession card. The SmartRider card is similar in size to a credit card and is available for all students throughout the state.

Parents/guardians should be aware that students will require a Student SmartRider to access concession travel on Transperth bus, rail and ferry services. This card will also be used to access the school's printing as well as library facilities and is required to be carried with the student at all times.

In order to issue the card in the first instance, the PTA requires that parents/guardians give their permission for schools to provide student details to the PTA for the purposes of registering the student for concession travel, and to enable the student Smart Card to be produced. Only students who provide parent/guardian permission for the release of these details will be issued with a card through Lesmurdie Senior High School. The information that will be released is student name, date of birth, and School Curriculum and Standards Authority or student number.

The PTA must comply with the privacy requirements for the public sector, and as such, will only be using the information provided by the school for the issuance of the Student SmartRider concession card.

If the card is damaged or lost, a replacement can be applied for at the school for a fee of \$10.00. You can contact the school on (08) 9291 1200 or Transperth Comment Line on 13 16 08 if you have any further questions.

I, as acting Parent/Guardian/Caregiver, give permission for details of the student named below to be released to the PTA for the purposes of issuing a Student SmartRider card and acknowledge that this card will also be used to access the school's printing and library facilities.

DRESS CODE

Wearing the school uniform plays an important part in establishing a positive community identity and contributes to the creation of an appropriate work ethic. The benefits of a dress code include:

- Promoting safety of students through easier identification;
- Keeping costs of clothing within reasonable limits for parents;
- Assisting students to learn the importance of appropriate presentation;
- Creating a sense of positive belonging to our school community.

Acceptance of enrolment at Lesmurdie Senior High School assumes an agreement between the parent/guardian and the enrolling student that the student will dress in accordance with the school's uniform policy. Every student is expected to comply with the School Uniform Policy.

The school uniform has been developed in consultation with the School Board and other members of the School Community.

Students are to wear the designated uniform during school hours, to and from school and while attending school excursions. Parents/guardians are asked to support this by ensuring that students wear their uniform to school each day. Students are required to change into the relevant uniform when participating in sport, dance or physical education classes, training sessions or competitions. Students who have Period 1 Physical Education or Dance classes MUST arrive in school uniform and then change at the start of Period 1. For Period 5 classes, students must change after lunch and then change back into school uniform at the end of the lesson.

Students are expected to be dressed in a neat and tidy manner at all times and ensure they have the appropriate clothing needs for any particular day. Where a student is unable to wear school uniform they should see Senior School or Lower School staff before school to arrange to borrow a uniform.

After checking that all required documents are included, please submit this enrolment application by post or in person.
